

25TH ANNUAL JACK O' LANTERN NIGHT

**THURSDAY, OCTOBER 25TH
7:00 PM – 8:00 PM**

REMINDERS....

- Please bring your carved pumpkins Thursday morning during carpool. There will be curbside volunteers to collect pumpkins and place them by your teacher's sign along the driveway. Students are encouraged to bring more than one pumpkin for this fun night. The pumpkin needs to include a label with your name, teacher's name, and include a battery/LED tea light or glow stick—no candles!
- Family and friends are welcome to drive through the Abercrombie Academy campus and view all of the wonderful jack-o'-lanterns along the driveway while teachers pass out candy to the children in each car. Please do not park or get out of your car. We will have an officer on site to direct traffic.
- You may pick up your pumpkin on Friday and enjoy it at home Halloween night!

TIP— if you coat the inside of your jack o'lantern with shortening or Vaseline it will last longer!
